

Dear FCC programmers and administrators,

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary just days before the election is infuriating and, I believe, illegal.

I have known this type of shenanigan was coming since the media giants were allowed to buy up whatever stations (and print media) they wanted. Dangerous move for democracy but not unexpected. Months ago I when I first heard about it, I assumed the consolidation was a Bush Boys strategy for just this purpose.

Sinclair's move won't be the last either, and this knife can cut lots of other ways. I don't want corporate profits and politics to ensure profit greed to drive real news. I find the Bush Boys Faith Base to be a bitter irony for un-Christian actions like these.

Please stand up for what is best for our American democracy, which depends absolutely on a free press. I pray you'll do the Right Thing. Many thanks. Waunda Stedman
